HELLO

Many new opportunities. One passion for perfection.

Dear valued owners and partners,

The start of 2018 presented many new opportunities for Minor Hotels. In the past few months, we forged new partnerships in new markets, announced some exciting developments for AVANI Hotels & Resorts and added a number of properties into our portfolio and pipeline.

Capitalising on an opportunity to accelerate our global growth, we are proud to announce our investment in NH Hotel Group, a leading urban hotel operator with a portfolio of 382 hotels in 30 markets in Europe, as well as our strategic joint venture with Corbin & King, a UK-based restaurant and hospitality operator with an illustrious collection of six restaurants and a five-star hotel in London.

We are pleased to introduce AVANI+ as an extension of our fastest-growing brand with the opening of AVANI+ Luang Prabang in the heart of the UNESCO World Heritage site. Also in Laos, we are also proud to launch Mekong Kingdoms – a stunning portfolio of five unique vessels and bespoke luxury cruises which connect our properties in Luang Prabang and Thailand’s Golden Triangle.

In another exciting development for AVANI, four upcoming properties have now joined the pipeline: AVANI Sukhumvit Bangkok Hotel and AVANI Central Melbourne Residences are slated to open later this year, whilst AVANI Hotel Suites & Branded Residences in Dubai and AVANI Muscat Hotel will launch in 2020. Also joining the pipeline are Anantara Marau Bahia Resort in Brazil and Oaks Beirut in the Lebanese capital.

Last but not least, join us welcoming Kifaru House – Elewana Collection’s latest addition in Kenya’s Lewa/Borana Wildlife Conservancy, and in celebrating Tivoli Hotels & Resorts’ 85th anniversary.

The opportunities that we have been able to capture in the past few months are a true reflection of the strength of our strategic partnerships, and I would like to express my sincere gratitude to you for sharing this journey of growth with us.

If we have not yet had a chance to collaborate, I hope the months to come would bring an opportunity for us to scale new heights of success together.

Dillip Rajakarier
CEO, Minor Hotels
COO, Minor International

STRONG START OF THE YEAR

In 1Q18, we reported a 47% increase in net profit and a 13% growth in RevPar of our owned hotels.

In Thailand, positive results in Bangkok and the provinces drove RevPar upwards by 14% in our owned hotels. Outside of Thailand, RevPar of owned hotels also increased by 14%, driven by strong performance across key markets.

Although still in low season, our portfolio in Portugal recorded outstanding RevPar growth of 45%, primarily from the ability to increase rates following property renovations. The solid momentum of our owned hotels in the Maldives continued into 1Q18, with RevPar increasing at a rate of 15%, both from upwards industry-wide trends and ongoing marketing initiatives. In Brazil and Africa, RevPar grew by 7% and 6% respectively.

With strong positive momentum across our portfolio together with mixed-use activities – including Anantara Vacation Club – we are confident of our net profit growth for the remainder of 2018.

*As of May 2018

LONDON CALLING: Minor Hotels x Corbin & King

We have acquired a significant stake in the UK-based Corbin & King, a leading restaurant and hospitality operator with an illustrious portfolio across London. The partnership marks our entry into the UK and signals the start of our expansion in this exciting market.

Founded by Jeremy King and Chris Corbin in 2003, Corbin & King's highly-acclaimed portfolio includes some of London's most iconic eateries: **The Wolseley** in Piccadilly – which upholds a prestigious reputation for its modern European cuisine and Art Deco glamour, European café **The Delaunay** in Aldwych, Parisian-style **Brasserie Zédel** in Picadilly, French pavement café **Colbert** in Sloane Square, 1900s Viennese **Fischer's** on Marylebone High Street and Alsatian-Parisian **Bellanger** in Islington. The Company also operates **The Beaumont** in Mayfair, a celebrated five-star, 73-key property.

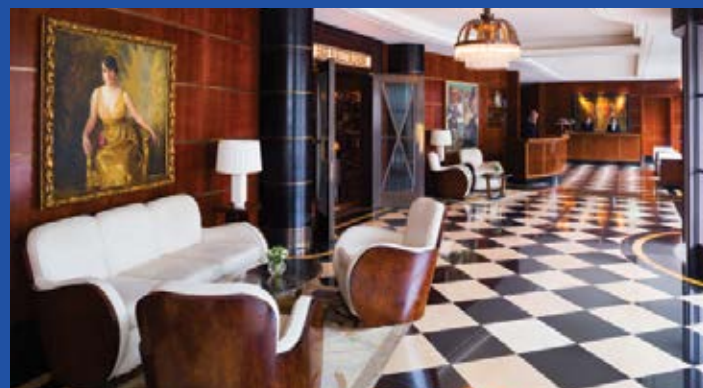

This strategic joint venture will build on Minor Hotels' proven track record of operating signature restaurants within our properties and in third-party locations, and presents an opportunity for Corbin & King to expand its portfolio in the UK and key international markets.

The new investment replaces a previous shareholding by the private equity company Graphite Capital. Corbin & King's co-founders will remain shareholders in the group, and Jeremy King will continue to run the business as CEO.

TIMELESS ELEGANCE IN MAYFAIR: The Beaumont

Launched in 2014 as Corbin & King's first hotel, The Beaumont's 73 rooms, suites and studios recapture the spirit of old-world luxury. The property sits on a quiet garden square in the heart of Mayfair, within sight of the shops on Oxford Street. The Colony Grill Room serves classic dishes from both sides of the Atlantic, and The American Bar specialises in bourbons, whiskies and classic cocktails.

ACCELERATING OUR GLOBAL GROWTH: NH Hotel Group investment

We have reached an agreement with HNA Group to purchase an equity stake of 25.2% in NH Hotel Group in a transaction valued at EUR 619 million. This milestone marks a new era for Minor Hotels as we further cement our footprint in Europe and strengthen our reputation as a global hotel company.

This investment follows our earlier purchase of a 9.5% shareholding in NH Hotel Group. The share purchase will be completed in two tranches: the first tranche will be completed on or around 15 June 2018 and the second is expected to be completed in September 2018.

We will launch an all-cash public tender offer to acquire NH Hotel Group's remaining shares and target our shareholding at around 51%-55%. We intend to keep NH Hotel Group as a publicly-listed company on the Madrid Stock Exchange.

Founded in 1978, NH Hotel Group is today one of the top 25 hotel chains in the world, with a portfolio of 382 hotels and 59,350 keys in 30 countries in Europe.

In recent years, with enhanced operational efficiencies and improvements in the European macroeconomic outlook, NH Hotel Group has seen strengthened financial results, rising ADRs and a robust growth trajectory, in particular in its four main clusters of Spain, Benelux, Central Europe and Italy.

This investment will enable us to create a network of over 540 hotels across the important hospitality regions of Asia, Oceania, the Middle East, Africa and Europe.

It will allow Minor Hotels and NH Hotel Group to capitalise on our leadership positions in key growth areas, highly complementary asset and brand portfolio, technology platform and talented hospitality professionals.

With deep food and beverage expertise, Minor Hotels will also be able to support NH Hotel Group in enhancing customer experience and maximising revenue potentials in this area.

Together, we will be well-positioned to achieve new heights of success – creating more exciting growth opportunities than either company could achieve alone and providing greater value to all of our stakeholders.

AVANI RISING

The last few months have seen a number of exciting new developments for our fastest growing brand, AVANI Hotels & Resorts.

EXPANSION IN KEY MARKETS

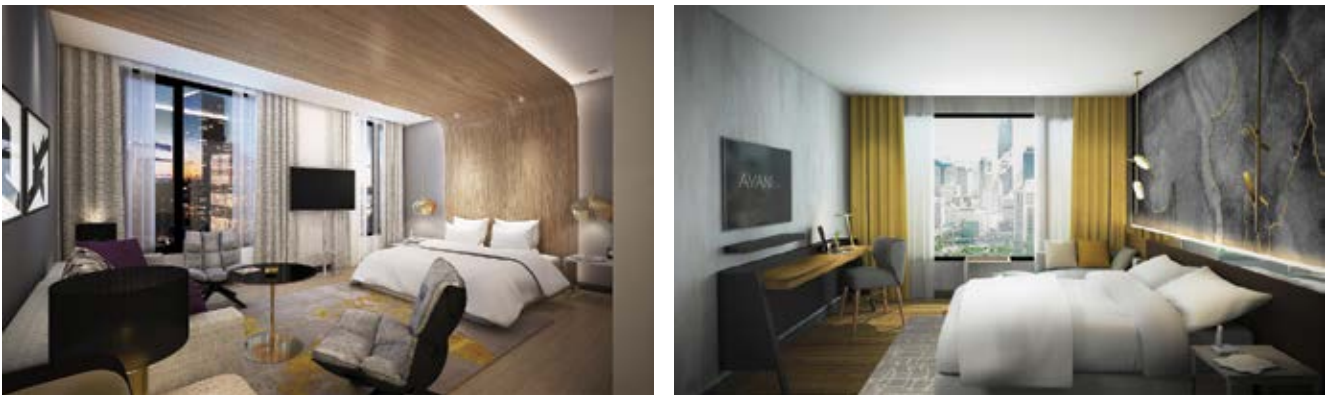

When they open, these new properties will strengthen the brand's footprint in some of the world's most vibrant destinations.

BANGKOK IN A NEW LIGHT
AVANI Sukhumvit Bangkok Hotel

Developed in partnership with Eak Pattanakit Co. Ltd., **AVANI Sukhumvit Bangkok Hotel** is slated for launch in a few months' time as the city's third AVANI property.

The 382-key property's location along Bangkok's main commercial and leisure artery of Sukhumvit is an opportunity to highlight the brand's contemporary offering to millennial-minded travellers seeking a fresh take on the Thai capital.

The new-build hotel will be part of a retail complex and connected directly to the On Nut BTS station.

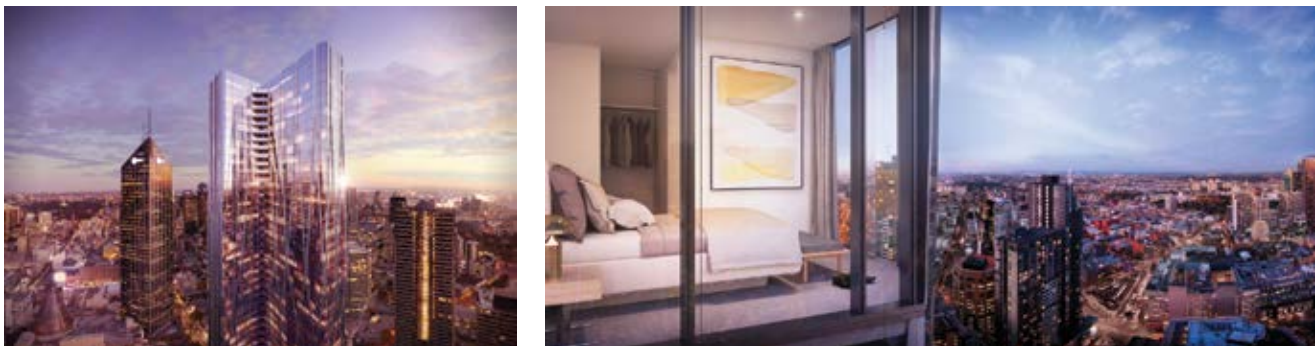

MELBOURNE FROM UP HIGH
AVANI Central Melbourne Residences

Following the brand's first foray into Australia with the recent launch of AVANI Broadbeach Gold Coast Residences, we are proud to announce the upcoming opening of **AVANI Central Melbourne Residences**.

Due to launch in August this year, the 456-key, 55-storey property is strategically located in the northern part of Melbourne's CBD, close to the Melbourne Central railway station and Queen Victoria Markets.

From indoor and outdoor recreational and dining rooms to the rooftop lounge with sunken Jacuzzis, communal living runs throughout the 55-storey building.

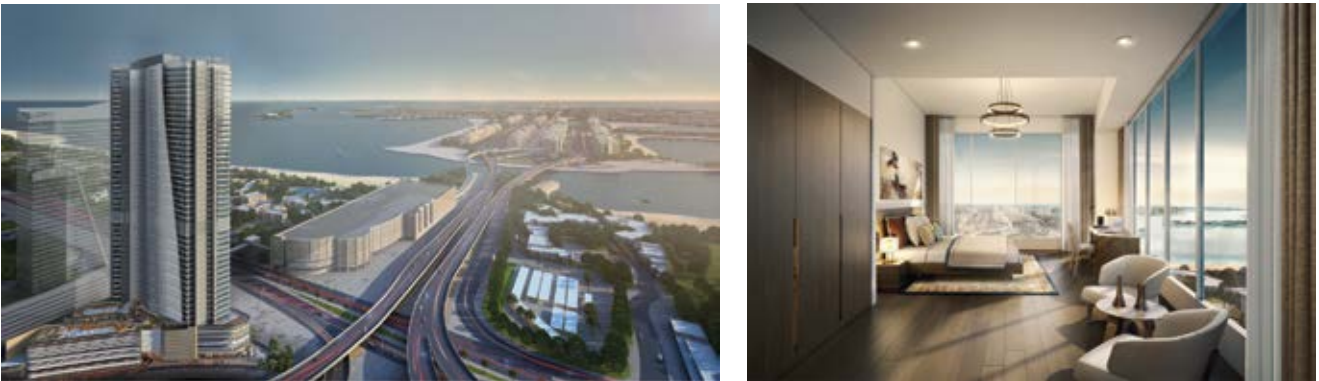

SUITE LIVING IN DUBAI
AVANI Hotel Suites & Branded Residences

Currently being developed by ALFAHIM to open in 2020, **AVANI Hotel Suites & Branded Residences** will be the third AVANI property in Dubai and represent the launch of the brand's residential portfolio in the Middle East.

The 48-storey property will be located in a prestigious area of the city – directly overlooking the iconic Palm Jumeirah, adjacent to Dubai Marina and Media City and half an hour from Dubai International Airport.

Accommodation options range from studios to four-bedroom residences, with 263 of the 527 keys marketed to investors as a sale-and-lease-back product.

BRAND DEBUT IN OMAN
AVANI Muscat Hotel

Also scheduled to open in 2020, the 250-key **AVANI Muscat Hotel** will be located a 15 minute-drive from Muscat International Airport in Seeb, a key area for future development in the capital.

Representing a USD 50 million development by Safari International Group, the property is a key strategic addition to Minor Hotels' portfolio Oman, following the launch of the Anantara brand with the openings in 2016 of Anantara Al Jabal Al Akhdar Resort and Al Baleed Resort Salalah by Anantara.

The first phase will include 160 guest rooms and suites, and the second phase, which will commence two years after the main hotel opens, will offer a total of 90 serviced apartments including studios and one-, two- and three-bedroom apartments.

INTRODUCING:
AVANI+

We are pleased to launch AVANI+ in response to our owners’ and partners’ desire to create a distinct product proposition for a select number of properties in the portfolio and bolster continued commercial success for the brand.

Encompassing one-of-a-kind properties blending distinct takes on key destinations with AVANI’s signatures of contemporary style and the details that matter, the AVANI+ portfolio will elevate the brand and open up new avenues of growth.

More than unique design, central location and premium facilities, amenities and service, AVANI+ will further enhance guest experience through re-imagined spa and dining concepts with specialty restaurants and rooftop or al fresco bars, and a digital space experience which gives travellers an insider’s view of the local culture, cool hotspots and off-the-beaten-track destinations.

A GEM IN THE UNESCO WORLD HERITAGE SITE
AVANI+ Luang Prabang

Launched in March as AVANI+’s inaugural property and Minor Hotels’ first in Laos, AVANI+ Luang Prabang was formerly the site of French officer quarters, and now boasts classic-contemporary style while remaining true to its colonial architectural heritage.

Situated only steps from the Mekong River, Royal Palace, and Night Market, the property’s 53 open-plan rooms and suites overlook the central pool courtyard or misty mountains of Mount Phousi.

Dining options highlight the central location, with an al fresco bistro and bar overlooking the bustling night market and saffron-robed monks filing by in the early morning.

MEKONG KINGDOMS:
A luxurious take on river travel

Elevating the concept of river travel, the recently-launched Mekong Kingdoms offers a selection of bespoke day and overnight luxury cruises aboard a stunning fleet of five very unique vessels. This new offering connects Minor Hotels’ properties in Thailand’s Golden Triangle and the ancient Lao capital of Luang Prabang, addressing the demand of travellers who wish to savour the journey as much as the destination.

The 13-cabin flagship ‘Bohème’ is decorated with intricate Indochinese-inspired artwork, fitted with sumptuously comfortable furnishings from bow to stern and features phenomenal facilities including an expansive sun deck, wine cellar and spa. Journeying for two nights from Chiang Khong near Anantara Golden Triangle Elephant Camp and Resort or three nights from Luang Prabang, itineraries include guided jungle treks, a visit to the famed Pak Ou caves, mountain biking through sleepy villages and a variety of onboard activities such as sunrise yoga and meditation, fishing and the all-important sundowners.

Guests who desire a more intimate option are catered for by the ultra-luxurious, two-cabin ‘Gypsy’ for private overnight cruises, ‘Monsoon’ and ‘Nomad’ for stylish daytrips around Luang Prabang, and floating lounge ‘Play’, docked in Luang Prabang and perfect for exclusive events.

Mekong Kingdoms marks a strategic expansion of Minor Hotels’ cruise offering, which currently includes Manohra Dining Cruises in Bangkok and Anantara Overnight Cruises that sail from Bangkok to Thailand’s ancient capital of Ayutthaya.

MINOR HOTELS:
New brands in new markets

We will soon debut the Anantara brand in Brazil – an important gateway to the Americas, and expand Oaks’ footprint in Lebanon – adding a new market for Minor Hotels in the Middle East.

CASTAWAY LUXURY IN BRAZIL
Anantara Maraú Bahia Resort

Home to spectacular beaches, lush rainforests and an intoxicating fusion of Afro-Brazilian heritage, the state of Bahia is a haven for modern travellers looking to experience Brazil’s rich natural and cultural diversity.

The launch of Anantara Maraú Bahia Resort later this year – following a BRL 4 million renovation of the former Kiaroa Eco-Luxury Resort – will signal Anantara’s debut in Brazil.

Located on a deserted stretch of Atlantic coastline on the tip of the Maraú Peninsula, the property will initially offer a choice of 30 rooms, suites and bungalows in beachfront and garden settings, as well as world-class resort facilities.

Captivating local experiences include surfing, paddle boarding, quad biking and horse riding to the Carapitanguí River, excursions to the Tremembé Waterfall and nearby tropical islands as well as scuba diving off Taipus de Fora.

SMART SIMPLICITY IN LEBANON
Oaks Beirut

We are pleased to announce our entry into Lebanon with the upcoming launch of Oaks Beirut in partnership with Allied Investment Group.

Scheduled to open later this year, the 110-key hotel will be located in Sodeco, a commercial area of Beirut, approximately five minutes’ drive from the vibrant downtown area and 15 minutes from Beirut Rafic Hariri International Airport. Previously operating as Hotel de Ville Beirut, the refurbishment of the property is well underway.

Adding Lebanon to our footprint has considerable strategic value: Beirut is a dynamic city and widely regarded as one of the most influential trend setters in the region.

In the Middle East, Minor Hotels currently operates two Oaks properties – Oaks Liwa Heights in Dubai and Oaks Liwa Executive Suites in Dubai, and a further 11 properties across the Anantara, AVANI and Tivoli brands.

TIVOLI HOTELS & RESORTS
Celebrates 85 years

Since its birth in 1933, the Tivoli Hotels & Resorts philosophy has been to create a timeless experience for discerning guests in some of the most unique properties in Portugal and beyond. As the brand celebrates its 85th anniversary, an ambitious global expansion is on the horizon.

The Tivoli story began over 85 years ago with the opening of Tivoli Avenida Liberdade Lisboa Hotel on 9 March 1933. The brand has since made its mark and expanded in Portugal, launching properties such as Tivoli Palácio de Seteais Sintra Hotel – a lovingly-restored 18th-century palace in the historic town of Sintra, Tivoli Coimbra Hotel in Portugal’s medieval capital and iconic resorts in the popular beach destination of the Algarve.

2006 saw the brand expanding in Brazil, its first overseas market, with the acquisition of Tivoli Ecoresort Praia do Forte Bahia in the lush northeast of the country, followed by Tivoli Mofarrej São Paulo in 2009.

Minor Hotels’ acquisition of Tivoli Hotels & Resorts in 2016 not only marked our entry into Europe and South America, but also a new chapter in the brand’s history. Major investments have been made to renovate the brand’s entire portfolio, and expand its footprint in the Middle East with the 2017 launch of Souq Waqif Boutique Hotels by Tivoli and the imminent opening of Souq Al Wakra Hotel Qatar by Tivoli and Al Najada Doha Hotel by Tivoli.

Proud of its rich legacy, the brand’s growth potential is equally robust, with future properties in the pipeline in Brazil, South Korea, China and beyond.
